

PLEASE READ THIS END USER LICENSE AGREEMENT (“AGREEMENT”). BY DOWNLOADING OR INSTALLING SHADOW CROWN SERVICES (SCS) SOFTWARE (“SOFTWARE”), OR BY USING SCS EQUIPMENT THAT CONTAINS THE SOFTWARE (“EQUIPMENT”), YOU AND ANY ENTITY YOU REPRESENT (“CUSTOMER”) AGREE TO BE BOUND BY THIS AGREEMENT WITH SHADOW CROWN SERVICES NETWORKS, INC. (“SHADOW CROWN SERVICES”). IF YOU THE CUSTOMER DO-NOT AGREE TO – ANY OF THE TERMS OF THIS AGREEMENT, THEN DOWNLOAD, INSTALL OR USE THE SOFTWARE.

The following terms govern Customer’s use of any Software, except to the extent particular Software is (a) the subject of a separate written agreement between Customer and Shadow Crown Services; or (b) includes or references a separate license agreement. If any Software is identified in a Purchase Order, invoice or proof of entitlement issued by Shadow Crown Services (collectively, “Proof of Entitlement”), Customer’s license to such Software is subject to any additional terms and conditions contained in the Proof of Entitlement, including, without limitation, the term of the license (“License Term”), applicable license fees (“Fees”), applicable devices or types of devices (“Applicable Devices”) and limitations with respect to use on a single hardware device, number of devices under management, number of ports or other quantitative limits (“Quantitative Limits”). The Software provided or made available to Customer may include features or functionality (e.g., the E, V and Z features of EOS) that Customer may not use unless Customer purchases a separate license to such features and functionality. Information about the license terms applicable to the Software (including, without limitation, EOS, EaaS, CloudVision and CloudVision Lite) is available on the Shadow Crown Services website at <https://shadow-crown.co.uk/licensing>.

Limited License Grant: With respect to the specific program modules, feature set(s) or feature(s) of the Software identified in any Proof of Entitlement, and subject to Customer’s compliance with the Limitations and Restrictions section of this Agreement, including, without limitation, Customer’s payment of any applicable Fees, Shadow Crown Services grants to Customer a limited, revocable, nonexclusive, non-sub licensable and nontransferable license, during the License Term to: (1) download, install and use such Software consistent with the use and restrictions set forth in the applicable Proof of Entitlement and only for Customer’s internal business purposes; (2) reproduce, copy, modify, and create derivative works of any such Software that is provided in source code format, only for Customer’s internal business purposes; provided, however, that if any Software is provided in source code format, Customer shall not create any derivative works of the Software that contain Open Source Software nor shall Customer use the Software or portion thereof to merge with, link to, make function calls to, or share data structures with any Open Source Software, if any such combination or use of the Software would require the Software to be made available royalty free or in source code form; (3) use the Software in conjunction with Third Party Software in a manner consistent with the terms of this Agreement; (4) review the Software including, without limitation, unpacking archives (such as ZIP, SWI and RPM files provided by Shadow Crown Services), and accessing underlying operating system facilities; and (5) extend the Software provided in source code format and linking Customer-developed software to the Software. As used in this Agreement, “Open Source Software” means any software made available by a third party under a license approved by the Open Source Initiative, or any substantially similar license.

Limitations and Restrictions: Except as otherwise expressly provided in this Agreement, the foregoing license grant excludes any right to, and Customer shall not: (1) sell, transfer, assign or sublicense the Software or Customer’s license rights under this Agreement, whether voluntarily or by operation of law, to any third party, directly or indirectly, and any such attempted transfer, assignment or sublicense shall be void; (2) use or allow use of the Software on any hardware other than the Equipment or Applicable Devices; (3) modify, reproduce, decompile, decrypt, disassemble, reverse engineer, create derivative works of or otherwise reduce to human- readable form any Software (other than Software that is provided in source code format); gain access to trade secrets or confidential information in the Software; circumvent any copy-protection or license enforcement; or attempt to do any of the foregoing, except to the extent expressly permitted by applicable law; (4) combine, commingle, or integrate any Software with Open Source Software or incorporate Open Source Software into any Software that may add any additional Open Source

Software requirements, obligations, or licensing terms to the Software; (5) disclose to any third party any results of benchmarking or other testing generated in connection with Customer's use of Software, including without limitation any comparisons of the Software or Equipment with any other products; (6) provide a third party with a copy of or access to the Software (including, without limitation, source code) (if Customer does so, Customer will be responsible to Shadow Crown Services for all acts of such third party); (7) remove from the Software (or fail to include in any copy) any readme files, notices, headers, disclaimers, marks or labels; and (8) use or allow use of the Software in violation of any applicable law or regulation or to support or facilitate any illegal activity. Customer shall be liable to Shadow Crown Services for any damages, injury or harm caused to Shadow Crown Services as a result of a Customer's violation of any of these limitations or restrictions.

Evaluation License: Shadow Crown Services may make certain Software available in object code form to end users only for evaluation, training or other limited non-commercial purposes without charging a Fee ("Evaluation License"). Where Shadow Crown Services has provided an Evaluation License, all of the terms of this End User License Agreement shall apply except that. (i) Customer's license rights shall be limited to the evaluation of that Software, (ii) Customer shall not be required to pay a Fee for the evaluation of that Software and (iii) Shadow Crown Services shall have the right to revoke the license to the Software at any time and for any reason.

Updates: The terms and conditions of this Agreement shall apply to any upgrades, updates, bug fixes or modified versions (collectively, "Updates") or additional copies of the Software. Notwithstanding any other provision of this Agreement, (1) The Customer has no license or right to use any such Updates and or additional copies, unless the Customer at the time of acquiring them, already holds a valid license to the Software associated with such Updates and has paid any required Fees for such Software. (2) The use of additional copies of the Software is limited to backup purposes only. By downloading or using any Updates, Customer's rights with respect to the Updates are subject to the terms of the latest revision of this Agreement posted at the time of receipt of the Updates, Shadow Crown Services then-current policies and procedures, and Customer's Proof of Entitlement for the Software associated with such Updates.

Proprietary Notices: Customer agrees to maintain and reproduce all copyright and other proprietary notices on all copies, in any form, of the Software in the same form and manner that such copyright and other proprietary notices are included on the Software. Except as expressly authorized in this Agreement, Customer may make such backup copies of the Software as may be necessary for Customer's lawful use, provided Customer affixes to such copies all copyright, confidentiality, and proprietary notices that appear on the original.

Reservation of Rights: The Software and documentation are owned by Shadow Crown Services and its licensors, and is protected by copyright, patent, trademark, and trade secret laws of the United States and other jurisdictions, international conventions, and all other relevant intellectual property and proprietary rights, and applicable laws. As between Customer and Shadow Crown Services, the Software, including without limitation intellectual property rights therein and thereto, are the sole and exclusive property of Shadow Crown Services or its subsidiaries or affiliated companies and/or its third-party licensors. Any and or All Software transacted by the customer shall be licensed to the Customer and not sold. Shadow Crown Services reserves all rights not expressly granted in this Agreement, and no rights or licenses shall be deemed or interpreted to be granted or transferred hereunder, whether by implication, estoppel, or otherwise.

Fees and Payments: Unless otherwise specified in the Proof of Entitlement, any license or subscription Fees with respect to the Software are due and payable no later than thirty-(30)-days after the date of invoice or first use of the Software by Customer, whichever is earlier. Late invoices shall be subject to interest of 1.5% per month (or the maximum rate permitted by law if less) plus any expenses of collection. Shadow Crown Services reserves the right to suspend and/or terminate access to the Software if any Fees payable hereunder are past due. Such suspension or termination shall not relieve Customer from its obligation to pay all amounts due under this Agreement.

Taxes: The Fees do not include any foreign, federal, state or local taxes, or any sales, use, excise, ad valorem, value-added, withholding or other taxes or duties that may be applicable to the purchase of Software (collectively, "Taxes"). Fees pursuant to this Agreement may not be reduced to reflect any Tax or other mandatory payment to government agencies. When Shadow Crown Services has the legal obligation to collect Taxes related to any invoice, unless Customer provides Shadow Crown Services with a valid and acceptable tax exemption certificate prior to issuance of said invoice, the appropriate amount shall be added to Customer's invoice, and be paid by Customer. If a tax authority subsequently finds that any Tax payment related to any sale or service to Customer was insufficient and requires additional payment by Shadow Crown Services, Shadow Crown Services will make such payment and Customer will reimburse Shadow Crown Services for such additional Tax payments (including, without limitation, any interest, levies, and penalties). Shadow Crown Services will not be responsible for any Taxes or other amount assessed to Customer by any government agency based on Customer's net income, gross revenue, or for any other reason.

Third Party Software: The Software may be distributed alongside certain third party software ("Third Party Software", together with the Software, the "Package") provided under separate license terms (the "Third Party Terms"). Information regarding Third Party Software provided to Customer by Shadow Crown Services is forth in more detail on the Shadow Crown Services web site at <https://www.shadow-crown.co.uk/gpl> and through the Software's help menu. Notwithstanding licenses granted in this Agreement, Customer acknowledges that certain components of the Software may be covered by Open Source Software licenses of third parties ("Open Source Components"). Shadow Crown Services shall provide a list of Open Source Components for a particular version of the Software upon Customer's request. To the extent required by the open source licenses applicable to the Open Source Components, the terms of such licenses will apply to such Open Source Components in lieu of the terms of this Agreement. To the extent, the terms of the open source licenses applicable to an Open Source Component prohibit any of the restrictions in this Agreement with respect to such Open Source Component.

However, the extent of open source licensing laws will be restricted where open source requests and or the providing of open source code and or code components may breach the protection of user/third party customer information, therefore, Shadow Crown Services shall not grant release to any request(s) made. If any component(s) of open source coding is to be offered, the relevant parts of these terms and conditions will reengage. Once proven to be safe for users/third party customers, shadow crown services, besides any other agreement made, will in-turn be indemnified from any and or all resulting effects of misuse, manipulation, malpractice, breaches and or any other act that may put a user/third party customer and or shadow crown services at risk. Any request for source code or related information should be directed only to; <https://shadow-crown.co.uk/support/product-documentation/gpl> Customer acknowledges receipt of notices for the Open Source Components for the initial delivery of the Software.

Protection of Information: Customer agrees that the Software and associated documentation, including, without limitation, the specific design and structure of individual programs, constitute trade secrets and/or copyrighted material of Shadow Crown Services. Customer shall not disclose, provide, or otherwise make available such trade secrets or copyrighted material in any form to any third party without the prior written consent of Shadow Crown Services. Customer shall implement reasonable security measures to protect such trade secrets and copyrighted material.

Commercial Item: The Software and associated documentation are "commercial items" as defined at, FAR 2.101 comprised of "commercial computer software" and "commercial computer software documentation" as those terms being-used in FAR 12.212. Consequently, regardless of whether Customer is United States Government or a department or agency thereof, Customer shall acquire only those rights with respect to the Software and associated documentation that are set forth in this Agreement.

Term and Termination: This Agreement is effective until terminated. Customer may terminate this Agreement at any time by destroying all copies of Software including, without limitation, any documentation. Customer's license rights under this Agreement will terminate immediately without notice from Shadow Crown Services if Customer fails to comply with any provision of this Agreement. If Customer's Proof of Entitlement for any Software states that the license for that Software is "Perpetual", then the License Term applicable to that Software is perpetual, subject only to termination for nonpayment of Fees or other breach of this Agreement. If Customer's Proof of Entitlement for any Software states that, the license for that Software is a subscription ("Subscription Software"), and then the License Term applicable to that Software is for the period identified in such Proof of Entitlement, subject to early termination for nonpayment of applicable Fees or other breach of this Agreement. In addition, with respect to any Subscription Software, this Agreement, and the license rights afforded hereunder, shall terminate with respect to such Subscription Software upon the earlier of the completion of any License Term for such Subscription Software or immediately upon the failure of Customer to pay any subscription Fees when due and owing to Shadow Crown Services. Upon termination or expiration of this Agreement, the customer shall, (a) immediately cease using any Software and must destroy, or return to Shadow Crown Services, all copies of the Software and associated documentation in its possession or control, furthermore, (b) promptly pay to Shadow Crown Services, any amounts owed under this Agreement, including and without limitation, any unpaid Fees.

Limited Software Warranty and Disclaimers: As provided by these terms and conditions of this Agreement. Any Software identified in a Proof of Entitlement, Shadow Crown Services warrants for a period of 90 days from the Start Date that the Software. (i) Through the media in which it is-delivered, will be free of defects in material and workmanship under normal authorized use consistent with the product instructions, and (ii) will perform substantially in accordance with Shadow Crown Services standard specifications. The sole and exclusive remedy of the Customer and the entire liability of Shadow Crown Services under this limited software warranty shall be (iii) for Shadow Crown Services to replace the defective media, and (iv) at Shadow Crown Services option, to repair, replace or refund the Fees paid for such Software. This limited warranty extends only to the original purchaser. The "Start Date" shall mean the date when the Customer is-granted access to the Software on the Shadow Crown Services website or when the Software is shipped from Shadow Crown Services facilities or from an authorized Shadow Crown Services reseller to Customer, as applicable.

NOTWITHSTANDING THE FOREGOING, ANY SOFTWARE LICENSED UNDER AN EVALUATION LICENSE, ANY SOFTWARE THAT IS PROVIDED WITHOUT CHARGING ANY FEE, ANY MODIFIED SOFTWARE AND ANY THIRD PARTY SOFTWARE ARE FURNISHED "AS IS," WITH ALL FAULTS AND WITHOUT WARRANTY OF ANY KIND WHATSOEVER, EXPRESS OR IMPLIED. SHADOW CROWN SERVICES DISCLAIMS ANY WARRANTY, REPRESENTATION OR ASSURANCE THAT THE SOFTWARE, OR ANY EQUIPMENT OR NETWORK RUNNING THE SOFTWARE, WILL OPERATE WITHOUT ERROR OR INTERRUPTION, OR WILL BE FREE OF VULNERABILITY TO INTRUSION OR ATTACK. CUSTOMER MAY NOT MAKE A WARRANTY CLAIM AFTER EXPIRATION OF THE 90-DAY WARRANTY PERIOD.

No warranty will apply if the Shadow Crown Services product, Equipment or Software (i) has been altered, except by Shadow Crown Services; (ii) has not been installed, operated, repaired, or maintained in accordance with instructions supplied by Shadow Crown Services in the applicable documentation; or (iii) has been subjected to unreasonable physical, thermal or electrical stress, misuse, negligence, or accident. In addition, the Shadow Crown Services products, Equipment and Software are not designed or intended for use in (iv) the design, construction, operation or maintenance of any nuclear facility; (v) navigating or operating aircraft; or (vi) any life-saving, life-support or life-critical medical equipment, and Shadow Crown Services disclaims any express or implied warranty of fitness for such uses. Customer is solely responsible for assessing the suitability of the Shadow Crown Services products, Equipment and Software for use in particular applications and for backing up its programs and data to protect against loss or corruption. Shadow Crown Services warranty obligations do not include installation support.

EXCEPT AS SPECIFIED IN THE LIMITED SOFTWARE WARRANTY SET FORTH IN THIS AGREEMENT, ALL EXPRESS OR IMPLIED REPRESENTATIONS AND WARRANTIES, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR MEETING CUSTOMER'S REQUIREMENTS. NO INFRINGEMENT OF ANY THIRD PARTY'S INTELLECTUAL PROPERTY RIGHTS, COMPATIBILITY OR INTEROPERABILITY WITH ANY HARDWARE, SOFTWARE, SYSTEMS OR DATA NOT PROVIDED BY SHADOW CROWN SERVICES, SATISFACTORY QUALITY, OR FREEDOM FROM INTERRUPTION OR ERROR, ARE HEREBY DISCLAIMED AND EXCLUDED TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW. TO THE EXTENT AN IMPLIED WARRANTY CANNOT BE EXCLUDED, SUCH WARRANTY IS LIMITED IN DURATION TO THE 90-DAY WARRANTY PERIOD OR OTHERWISE TO THE MAXIMUM EXTENT PERMITTED BY LAW. BECAUSE SOME STATES OR JURISDICTIONS DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, UNFORTUNATELY, THIS LICENSE BEING GRANTED UNDER GOVERNING STATES WHEREBY THE LIMITATION, UNLESS 'AGREED' OTHERWISE, SHALL REMAIN IN FORCE.

THIS WARRANTY GIVES CUSTOMER SPECIFIC LEGAL RIGHTS, AND CUSTOMER MAY, ALSO HAVE OTHER RIGHTS, HOWEVER, THIS SHALL BE-ASSESSED ON A PRODUCT-TO-PRODUCT BASIS.

Disclaimer of Liabilities: In no event will shadow crown services or its directors, officers, employees, affiliates, suppliers and or licensors be liable for any lost revenue/profit, loss of data, costs of procurement of substitute goods, and or for special, indirect, consequential, incidental, and or punitive damages. However-caused and regardless of the theory of liability arising out of and or related to this agreement, otherwise the use of and or inability to use the software, even if shadow crown services or its directors, officers, employees, affiliates, suppliers or licensors have been advised of the possibility of such damages. In no event shall the cumulative liability of shadow crown services, its directors, officers, employees, affiliates, suppliers and or licensors to customer, whether in contract, tort (including, without limitation, negligence), or otherwise exceed the amounts actually paid to shadow crown services by the customer for the software and or equipment. This is the subject of such claim in the 12-month period immediately preceding the date when notice of such claim are-provided hereunder. The foregoing limitations shall apply even if the above-stated warranty fails of its essential purpose. Because some states or jurisdictions do not allow limitation or exclusion of consequential or incidental damages, the above limitation may not apply to customer. In such a case, the foregoing limitation will be-applied to the greatest extent permissible pursuant to applicable law.

Indemnification: Customer shall defend, indemnify and hold Shadow Crown Services, its affiliates, directors, employees, and or representatives harmless against any liabilities, losses, damages, claims, demands, fees, expenses and or other costs of any kind or nature, including, without limitation, any legal, filing and or professional fees, inclusive of any settlement amounts associated therewith. As and when incurred, arising out of or related to Customer's use of the Software or any breach or alleged breach by Customer or any of Customer's employees, representatives or agents of any obligation, representation or warranty contained in this Agreement.

Export and Compliance with Laws: Customer shall comply with all applicable laws and regulations in connection with its use of the Software, as well as related technical information and data. The Customer(s) acknowledges that the provided Software may contain encryption and or encryption technology may be subject to certain controls and restrictions under export and or re-export laws. This will include of any other laws, regulations and restrictions (collectively, the "Export Regulations"), including, without limitation, the related otherwise equal to the U.S. Export Administration Act of 1979, as amended from time to time, and regulations promulgated thereunder. This will also include any trade sanction programs, and other regulations promulgated by Offices of Foreign Assets Control, Departments of Commerce or other departments governing bodies. Customer(s) agrees that it is solely responsible for obtaining and will obtain any necessary approvals or licenses from the applicable National foreign regulatory authorities. Without limiting the generality of the foregoing, the Customer(s) represents and warrants to Shadow Crown Services that it will not, directly and or indirectly, export or re-export, supply or otherwise make

available the Software or any related technical information and or data to any person in violation of any Export Regulation. This includes, without limitation, re-exporting, supplying and or otherwise making available the Software to any person on the foreign regulatory Commerce Denied Persons List and or affiliated lists. on the U.S. Department of Treasury's Specially Designated Nationals List, in a country on the State Sponsors of Terrorism list or on any U.S. export exclusion lists (collectively, the "Export Denial Lists"). Customer represents and warrants that it is not on any of the Export Denial Lists and that Customer is not using and will not use any Software or related technical information or data to further activities in support of development, manufacture or use of nuclear fuel or weapons, missiles, or chemical or biological weapons. Customer further certifies to Shadow Crown Services that Customer(s) will immediately notify Shadow Crown Services if at any time those warranties and representation become no longer accurate.

Trust-Based Licensing Model: Certain Software licensed under this Agreement does not include programmatic license enforcement. It is Customer's responsibility to ensure compliance with this Agreement, including, without limitation, all applicable restrictions set forth herein or in any Proof of Entitlement. By adopting this trust-based licensing model, Shadow Crown Services does not waive its right to enforce any aspect of this Agreement at any time. Additionally, Shadow Crown Services knowledge of Customer's use of the Software beyond the scope of the license shall not operate as a waiver of Shadow Crown Services rights to enforce the terms of this Agreement under any legal or equitable doctrine.

Reports and Audit: Customer agrees to monitor its use of the Software and generate accurate, complete and auditable records of its level of use. Derived from the understanding surrounding the burden for Proof of Entitlement, if at any time Customer(s) becomes aware that it has used any Software without paying any applicable Fees, and or in excess of the limitations set forth, Customer(s) shall promptly notify Shadow Crown Services in writing of such use and pay any additional Fees for the type of Software. The Customer(s) agrees that Shadow Crown Services shall have the right, at Shadow Crown Services expense, to audit Customer's use of the Software on at least 15 business days' advance notice, during Customer's normal business hours and no more frequently than twice each year, which audit shall not unreasonably interfere with Customer's business.

Survival: The license limitations and restrictions contained in the section entitled "Limitations and Restrictions" as well as the following provisions shall survive the termination or expiration of this Agreement: Reservation of Rights, Protection of Information, Term and Termination, Limited Software Warranty and Disclaimers, Disclaimer of Liabilities, Indemnification, Reports and Audit, and General Provisions.

General Provisions: This Agreement shall be governed by and interpreted in accordance with source goods, products and or services Law over any Country that this agreement has been dispensed to, and that operates a fair practice surrounding the use of another's intellectual goods, products and or services. The same is applicable to protect the consumer/customer(s) derived from third party distribution, yet will not focus the attention of Shadow Crown Services unless proven that it is at fault beyond this agreements provisions. Neither shall the provisions of the United Nations Convention on Contracts for the International Sale of Goods nor those of the Uniform Computer Information Transactions Act shall apply unless it has been deemed necessary based on a dispute(s) arising hereunder, otherwise shall be subject to the exclusive jurisdiction of the hosts courts.

Shadow Crown Services may assign this Agreement or delegate its responsibilities without restriction.

Customer may not assign this Agreement, its rights or licenses, or delegate its duties, hereunder, nor may any successor entity of Customer assume such rights, licenses or duties, in whole or in part, directly and or indirectly, whether by sale of stock or assets, merger, change of control, operation of law, or otherwise, without Shadow Crown Services prior written consent.

Any assignment or assumption in violation of the foregoing shall be void and of no effect. Subject to the foregoing, this Agreement shall bind and inure to the benefit of the parties and their respective permitted successors and assigns.

This Agreement is the entire agreement between Shadow Crown Services and Customer(s) with respect to the Software, and supersedes any and all prior agreements, negotiations, or other communications between Shadow Crown Services and Customer, whether oral or written, with respect to the subject matter hereof.

In the event that any provision of this Agreement is held to be invalid or unenforceable, then:

- (a) such provision shall be deemed to be reformed to the extent strictly necessary to render such provision valid and enforceable, or if not capable of such reformation shall be deemed to be severed from this Agreement; and
- (b) The validity and enforceability of all of the other provisions hereof shall, in no-way, be affected or impaired thereby.

Shadow Crown Services failure to exercise, or delay in exercising, a right, power or remedy provided in this Agreement or by law shall not constitute a waiver of that right, power or remedy. Shadow Crown Services waiver of any obligation or breach of this Agreement shall not operate as a waiver of any other obligation or subsequent breach of the Agreement. The English language version of this Agreement shall be the official and controlling version, and any translation provided is solely for convenience.
